

A heavenly island-like beach...

... for a mythical wedding, a dream come true!

Just like being on an island, and yet so close to Athens, cherish every single moment at Ypanema and impress your guests with the elegance of the exceptionally organized, most important day of your life.

An idyllic location

In the landscape of the Heraion lagoon, "The Blue Lake", Ypanema is an enchanting place to host an elegant yet minimal seaside reception, under the starry Greek summer sky.

what dreams are made of!

White is mixed with blue in total harmony and the entire setting resembles a work of art. Your wedding has the scent of the sea breeze and the party of your life receives "mythical dimensions".

A mythical destination

Loutraki is located right at the entrance of "Mythical Peloponnese". A destination full of surprises that combines sports, fun, history and sandy beaches, thus creating a unique mix for its visitors.

Only 60' from Athens & the Eleftherios Venizelos international airport, the city of Loutraki is easy to reach and provides plenty of options for the accommodation and entertainment of your guests .

The city's proximity to Athens, Sparta, Ancient Olympia and other sites of great historic and cultural significance, make Loutraki an ideal destination for vacations and a mythical wedding.
